PRAYING GOD'S WORD FOR LEADERS

Father God, as Your priests and ministers, we come boldly to the throne of grace and intercede for our nation. We thank you for sparing Your people and giving not Your heritage to reproach that the heathen should rule over us and should say, "Where is their God?" we praise you that Your mercy endures forever. When our foot slipped, Your mercy held us up, and you did not deal with us after our sins or reward us according to our iniquities, but as high as the heaven is above the earth, so great is Your mercy toward us who fear you, and as far as the east is from the west so far have you removed our transgressions from us. Father, we thank you that you didn't give up on us, when we turned our backs on you. We praise you that Your steadfast love never ceases and Your mercy never comes to an end. We thank you for continuing to reach out to those in our land and around the world who don't know you or who have rejected you, and we praise you for sending us as Your laborers to cross their paths.

Father God, according to Your word, we make supplication, we make prayer, we intercede and we give you thanks for all people in positions of authority around the face of this planet. We thank you that their hearts are in Your hands and you cause them to make decisions that bless Your people with safety and prosperity so that we lead quiet and peaceable lives in all Godliness and honesty, so that the gospel can go forth as far and as fast as possible, so that Jesus can come back as soon as possible.

Father God, we agree with Your word that Jesus has been given all power both in heaven and in earth, and He's given us His authority over all the ability of the enemy so that nothing shall by any means hurt us as we go forth to teach all nations his word. Jesus is the Prince of Peace and of the increase of His government and His peace there shall be no end. The kingdoms of this world are become the kingdoms of our Lord and of His Christ and He shall rule forever and ever. We occupy this planet in the name of the Lord Jesus Christ and police it by faith in His word.

Satan and all his evil forces have been bound in Jesus' name from interfering with the spread of the gospel in any way. They are bound in heaven, and we call them bound on the earth. God's will is to be done on the earth just like it is in heaven. Therefore, we refuse to allow anything that is not allowed in heaven. Every hindrance to the gospel, whether military, economic, political, social, religious or whatever, has been bound, in Jesus' name. Atheism, communism, secular humanism, and every other false religion have been bound in Jesus' name. God turns the way of the wicked upside down, so that there is apathy and confusion in their ranks, and more and more they are being converted to the lord Jesus Christ, who continues to send laborers across their paths, to present the gospel to them in a way they can receive it.

The angels of God have been sent forth to loose revival worldwide.

The word of the Lord has free course in this earth and is glorified.

Every Christian minister in this world is kept from all harm, and they are all being given utterance, opportunity and boldness to speak God's word. And the word of God is growing and multiplying, so that the

knowledge of the Lord fills all the earth even as the waters cover the sea.

In Jesus' name we agree with God's word that no weapon formed against our country or against our Godly officials or against our military shall prosper, but instead every tongue falsely rising against us shall be condemned and proven wrong. This is our heritage as servants of the Lord, and our righteousness is of God. The secular humanists, the communists, the atheists, the Moslems, every advocate of a false religion shall be proven wrong. They shall be ashamed and confounded and go to confusion, but as God's people we shall be saved in the Lord with an everlasting salvation--we shall not be ashamed nor confounded world without end.

Just as God sent His angel to shut the lions' mouths so they could not hurt daniel, so God has sent His angels to shut the mouths of all those who would falsely speak against our country or our government officials. Just as the angel of the Lord caused Balaam to speak only blessings over the children of Israel, so the angel of the Lord causes all who know our country to speak only blessings over us. The Lord God is with us because we are with Him, and the shout of a king is among us, and our God has hidden us away from the strife of tongues. Father God, we thank you that Your kindness has not departed from us, neither has Your covenant of peace been removed from us, because You've had mercy on us. And You've surrounded us with wealth and precious stones and caused all our children to be taught of the Lord and have great peace. We are established in righteousness and are far from oppression because we have no fear, and we are far from terror, and it shall not come near us. We're in this world but kept from the evil that's here. The Lord is our keeper and He preserves us from all evil--He preserves our going out and our coming in from this time forth and even forevermore.

Father God, we thank you for showing us from Your word that both whoredoms and wine will take away people's hearts and cause them to err. So in Jesus' name we agree that immorality and drug abuse are bound and cast out and we call them gone from all elements of our government. In Jesus' name we speak unity and holiness to our congress, supreme court and administration. We plead the blood of Jesus over our government and claim by faith in Jesus' name that the hearts of our leaders are close to you God, and they are sensitive to Your voice. Father, we forgive our government, and we ask you to forgive them in Jesus' name. The spirit of pride and intellect-worship have been bound in Jesus' name, And we declare that our leaders are more addicted to the ministry of the word than they were ever addicted to whoredoms or wine. These people love You God, they love Your word and they eagerly want to do everything they can to help the body of Christ.

Father God, we thank You that You've given our government officials and all world leaders the spirit of wisdom and revelation in the knowledge of Yourself; that the eyes of their understanding are enlightened, and they know what is the hope of Your calling, and what are the riches of the glory of Your inheritance in the saints, and what is the exceeding greatness of Your power to them as believers. We agree in Jesus' name that the prince of the power of the air is bound and no longer able to influence them in any way, and they are no longer blinded by the god of this world.

Father God, we thank you that according to the riches of Your glory, You've granted our Government officials and all world leaders to be strengthened with might by Your spirit in their inner man, that Christ dwells in their hearts by faith, that they are rooted and grounded in love and able to comprehend with all saints what is the breadth, length, depth and height--they see the total picture of reality and fully comprehend the love of Christ which passes ordinary human knowledge, and they are filled with all the fullness of God.

Father God, we believe that our government officials and all world leaders are filled with the knowledge of Your will in all wisdom and spiritual understanding; that they walk worthy of the Lord unto all pleasing, and are fruitful in every good work, and increase in the knowledge of God. They are strengthened with all might, according to Your glorious power, unto all patience and longsuffering with joyfulness--they give you thanks, knowing that you've made them able to be partakers of the inheritance of the saints in light, that you've delivered them from the power of darkness and translated them into the kingdom of Your dear son, in whom they have redemption through His blood, even the forgiveness of sins.

Father God, we thank You that our government officials and all world leaders allow You to set a watch before their mouths and to keep the door of their lips, so that no corrupt communication comes out of their mouths but only that which is good to the use of edifying, that it may minister grace to the hearers, and not put the Holy Spirit to grief. We thank You that the spirit of "dirty politics" is bound in Jesus' name, and that no decisions are made out of selfish ambition or fear of losing a job. Instead, we believe that our government officials and all world

leaders do what is best for the people they govern, and they allow You to show them what the best course is, in Jesus' name.

Father God, specifically concerning our president, we thank You for helping him to cast all of his care over on You, and filling his heart with the joy of the Lord to strengthen him. We agree that he is free from the fear of not making the right decision, but instead he cleaves to You and loves You with all his heart, soul, mind and strength. He rests in Your loving arms and allows You to rule us through him. He gives You all the credit and all the problems, in Jesus' name.

Father God, we thank You that the word of God, the angel of the Lord, the blood of Jesus and the name of Jesus surround and protect our president and his family, all our government officers, military forces and their families around the world. Because they've made the Lord, which is their refuge, even the most high their habitation, there shall no evil befall them and no plague come nigh their dwelling.

Father God, we thank You that our president shall live out his full term of office in health of body and soundness of mind. We thank You that in his pathway is life and there is no death. We thank You that nothing shall by any means hurt him.

We intercede for each person bringing information to our president and to our other government officials. We believe that only the most accurate information is brought to them, so that the best possible decisions will be made. In Jesus' name we open the way for truth and good understanding and we shut the door on confusion and error.

Thank You Holy Spirit for warning our government officials and military of problems before they happen so that the problems can be avoided in time. Thank you Lord for revealing the deep and secret things to our government officials. Thank you Lord that there is nothing hidden that shall not be revealed to them.

Thank You Lord for surrounding our government with favor like a shield, and because our ways please You, You make even our enemies to be at peace with us. We thank You Lord that Your people which are called by Your name in this nation have humbled themselves and prayed and sought Your face and turned from their wicked ways, and therefore have You heard from heaven and forgiven our sins and healed our land. Praise God for the healing of America!

We declare from God's word that every imagination and every high thing that would exalt itself against the knowledge of God in our government is cast down, in Jesus' name. Every official's thoughts are captive to the obedience of Christ. Every decision they make is based upon the word of God and is a blessing to the body of Christ. Our government officials love God and they love his word, and therefore our government has great peace and nothing offends them. By faith we declare all of our government officials are born-again and committed to Jesus Christ. Jesus is Lord over the white house! Jesus is Lord over the congress! Jesus is Lord over the Supreme Court! Jesus is Lord over this nation! Jesus is Lord over this planet!

In the name of Jesus we declare from God's word that our government officials and leaders trust in the Lord with all of their heart, and lean not to their own understanding; in all their ways they acknowledge God and He directs their paths. He instructs them and teaches them in the way that they should go, and He guides them with His eyes upon them.

By faith we declare they can't hear the devil talking to them. Satan and all his evil spirits have been bound in Jesus' name from influencing our government officials in any way. Every spirit of hell has been cast out of our capital city, and in their place have come forth legions of angels to flood the streets and buildings and fill the hearts and minds of every person in Washington, D.C. with an overwhelming desire to please God and to base all their decisions on the word of God, and to be a blessing to the body of Christ and to help advance the Kingdom of God worldwide.

PRAYING GOD'S WORD FOR UPCOMING ELECTIONS

Father God, we thank you in advance by faith that the righteous are in authority in America, and therefore our nation is exalted. We are a blessed people because our God is the Lord.

Father God, Your word declares that you remove kings and you set kings up, that promotion comes only from you, that you are the judge who puts down one and sets up another, and that by you kings reign and princes decree justice. Your word declares that you will restore counselors and judges to us as at the beginning. Therefore, we thank you for removing any unGodly, corrupt or incapable officials from our government, and replacing them with God-fearing, honest and capable office-holders, people who will put you first in every decision they make, those people who will most yield to Your spirit, and who will most allow Jesus to rule us through them. We thank you Lord for raising up the best possible candidates for president, congress and the state and local offices.

In Jesus' name we bind the spirits of Assassination that would try to attack any of the candidates, and we thank you Lord for helping our praying God's word for upcoming elections (cont.) police and security officials to protect all of the candidates. In Jesus' name we bind the spirits of envy, fear and strife behind "dirty politics" and we thank you Lord for setting a watch over all of the candidates' mouths, so that what is said will only bring forth Your wisdom.

Your word tells us to pray for all those in authority, and we recognize that on election day the voters are the ones in authority. And so we thank you Lord for safe and honest elections, with good weather for the best possible turnout, and we claim Your word that the heart of the king is in the hand of the Lord, and you can turn it wherever you want it to go, and we apply that word to the voters on election day, that their hearts are in Your hands, O Lord, and you will guide them in choosing the best possible candidates for each office. We thank you Lord for causing each voting booth to be a prayer closet, where the voters will seek Your help in making their decisions, and as the curtains close behind them, they will see themselves like the high priest going into the holy of holies to meet with you and intercede for our nation, in Jesus' name, amen!

PRAYING GOD'S WORD FOR THE ECONOMY

Father God, we thank you for our covenant rights to prosperity in America, and we insist that the devil keep his hands off our economy! We praise you, Lord for strengthening the bars of our gates and blessing our children within us, for making peace in our borders and filling us with the finest of this world's produce so that through us. You can send forth Your commandments upon the earth and cause Your word to run very swiftly. We thank you that our storehouses are full, our productive resources are strong, and there is no thievery or complaining in our streets, but we're a happy people because our God is the Lord.

Father God, we thank you that you've brought us into a good land where we have plenty and lack nothing, and you've multiplied all we have, including our silver and gold, and given us the power to get wealth in order to establish Your covenant in the earth. We are Your billboard, father; our prosperity makes you look good, because we give you all the credit for it. By faith we'll never say in our hearts or out of our mouths that our power and the might of our hand got us any of this great wealth. You did it all father, and we'll never leave you. You've made Us rich, and you'll keep us rich so that we can be a blessing to all the families of the earth. We magnify you God, knowing that you take pleasure in the prosperity of Your servants, and we take our pleasure in serving you.

Father God we praise you that because we walk in Your statutes, and keep Your commandments, and do them, you give us rain in due season, so that our land yields her increase and we always have plenty. Economic scarcity, inflation, depression, recession, they've all been rebuked in Jesus' name and we call them gone now. You've given us

peace in this land, so that when we lie down none make us afraid, and you've rid our land of evil beasts; also our government is rid of evil beasts, and the sword shall not go through our land. Our enemies all scatter and flee before us because you have had respect unto us and made us fruitful and multiplied us and established Your covenant with us. No people who seek our hurt are able to stand before us because you've put the fear of us in all of their hearts.

Father God, we thank you that you have brought health and cure to our land, and revealed to us The abundance of peace and truth. You've caused Our captivity to turn and you've rebuilt our nation as at the first. You've cleansed us from all the iniquity and sin whereby we've sinned against you. And you've made us a name of joy, a praise and an honor before all the nations of the earth, which shall hear all the good that you do unto us, and they are. Soberly impressed with all the goodness and all the prosperity that you obtain for us.

Father God we thank you that you have made a covenant of peace with us and caused the evil beasts to cease out of our land (and out of our government) so that we dwell safely here and can sleep without fear. You've caused all the places round about us to be covered over with showers of blessings, so that the earth yields her increase, and the trees yield their fruit, and we !re safe in this land, and we know that you are the Lord, because you've broken the bands of our yoke of oppression and delivered us out of the hands of those who served themselves of us. No more are we a prey to the heathen; neither do the beasts of the land devour us, but we dwell here safely and none make us afraid. No more are we Consumed with hunger in the land; neither do we bear the shame of the heathen anymore--thus we know that you are with us, that we are Your people and you are our God!

Father God, we thank you that you have been jealous for our land, and answered us with abundant provision, so that we are satisfied and no more are we a reproach among the heathen. You've removed every enemy army far from us and done great things in causing the earth and the trees and vines to yield their strength and fruit to us. We fear nothing, but are glad and rejoice in you, because you've given us all the rain we need, so that our floors are full of wheat and our vats overflow with wine and oil. And you've restored to us all the years that the insects and the worms have eaten and we eat in plenty and are satisfied, and praise the name of the Lord our God who has dealt wonderfully with us, and as Your people we are never ashamed!

Hebrews 1:14

Specifically concerning the pentagon, the military, law enforcement, police and security forces, we agree in Jesus' name that waste, inefficiency, corruption and fear are bound, cast out and we call them gone now. Our soldiers do unjust violence to no man, neither do they accuse any falsely and they are content with their wages. Whatever their task, they work heartily as unto the Lord and not unto men, knowing that they serve the Lord Christ and shall receive the reward of his inheritance.

We see our police, military, security and law enforcement officials as ministers of God for our good, to be a terror to evil-doers, but a praise and protection to the righteous. We thank you Lord for sending Your angels to protect and assist our police, military, security and law enforcement officials as they keep the peace, so we can spread Your word, in Jesus' name, amen!

PRAYING GOD'S WORD FOR RACIAL RECONCILIATION

Father God, in the name of Jesus, we thank You for racial justice and harmony in America. We thank You, Lord, for showing us in Your word that people from all racial and ethnic groups will stand before Your throne as part of the redeemed body of Christ. We thank You, Lord, for giving us Your love and helping us to love one another as Your disciples. We thank You, Lord, for giving us Your authority over the devil, and in Jesus' name we bind the spirits of hell behind racial hatred, fear and division, and we agree with the Spirit of God to lead us into all truth, in bringing racial justice and harmony in America.

Release Your love in us and through us that we would walk in brotherly love and affection for one another, preferring and honoring one another.

Father God, in the name of Jesus, we lift up our media before You news and entertainment, print and electronic. We thank You Lord for giving us the knowledge of witty inventions, and for showing us in Your word that all things were made by and for You. We see Your vision of the media as a carrier of prayer alerts and praise reports, and a promoter of Godly values, especially among our Youth. Your word declares that he that works deceit shall not dwell within our houses, and Your spirit will guide us into all truth. Your word declares that we overcome the devil and all of his deception by the blood of the lamb. In the name of Jesus, we plead the blood of Jesus over the media to sanctify it for God's use, and to overcome all of satan's influence. We claim the media and all of its technology for the promotion of Godly values, the spread of the gospel and the building of the Kingdom of God. In the name of Jesus we break the power of the devil off of the media, so that they have no desire to promote perversion or any form of rebellion against God. We claim favor so that media leaders will give the body of Christ accurate and prominent coverage in a way that will make Jesus look good to people and draw multitudes into the Kingdom of God. We claim the power of the media to help complete the great commission, and form the mind of Christ among all our citizens, especially our Youth. We thank You Lord for using the media to wash us with the water of Your word and help us renew our minds to Your truth. Thank You Lord for sending Your laborers into leadership positions in the media, and raising up bold, loving and wise Christians among existing media leaders. We thank You Lord for helping those of Your servants who are now

working in and among the media, that You will keep them safe, happy, healthy and effective for You. We agree with Your word that the Kingdoms of the media in this world become the Kingdoms of our Lord and of his Christ. Jesus' blood covers all of the media! Jesus' blood covers entertainment industries! Jesus' blood covers movies and TV! Jesus' blood covers all of Hollywood and New York! Jesus' blood covers all of the media, and gives us peace and truth, in Jesus' name, amen!
